

THE B.O.S.S!!

B.O.S.S. is Box of Stampin' Supplies!!!! I'm starting a new program similar to the PMS (Paper Materials Stamps) class that I offered last spring, except this class is totally through the mail. Read on for the details.

B.O.S.S. is a 3 month commitment and class. Each month, you will receive about \$30 in SU! product. I will then send you the extra materials and full directions to complete 3 projects each month. Each month the projects will use the new product as well as the product received the prior month. By the end of the 3rd month, you will have about \$90 in product and 9 projects completed!

The cost of B.O.S.S. is \$45 per month (includes all tax and shipping). Each month I will provide optional "add on" items that I used that you can purchase if you would like to make more of any project. B.O.S.S. kits will be mailed out mid month.

The first month's product will include [Embrace Life](#) (page 9) and the [Ginger Blossoms Designer Series Paper](#) (page 8).

The second month's product will include [Celebrate Everything](#) (page 8) and [Build a Brad](#) (your choice of color).

The third month's product will include the [Pretties Kit](#).

Email me to enroll in the B.O.S.S. today! First payment will be due January 15. Supplies will be mailed no later than January 21.
